

Rule No.: 941 - 7501 - 04004

Agency: Mississippi Department of Transportation

Agency Effective Date: May 15, 2005

Agency Issued Date: March 8, 2005

Secretary of State Authority Date: May 15, 2005

Supercedes Rule:

Division: MAINTENANCE

Rule Title: Applications for Permit to Construct Utility Lines Along or Across State Highways for Holders of Master Agreements

---

**The person to be contacted regarding the proposed rule is:** Facility and Records Management Director

**Name of person originating the proposed rule:** John Vance

**Name of supervisor or person who approved the proposed rule:** Melinda McGrath

**Purpose:**

To provide standard forms for showing work to be performed on the highway right of way by holders of master agreements.

**Summary:**

This rule establishes permit forms to be used for the construction and maintenance of utility lines along or across MDOT right of way for holders of master agreements.

**The full text of the proposed rule is:**

**All cites herein refer to the most current version of the cited document.**

Form MND-003, "Application for Permit to Construct Utility Lines Along or Across State Highways for Holders of Master Agreements", shall be used for detailing work to be performed by holders of master agreements.

Form MND-003, Attachment A, shall be used when the permit application requires additional information to outline the work completely.

The applicant shall complete Form MND-003 and Form MND-003, Attachment A, if required, and forward all pages to the Department's district office for further processing.
