Agency: Mississippi Department of Transportation

Agency Effective Date: May 15, 2005

Agency Issued Date: March 8, 2005

Secretary of State Authority Date: May 15, 2005 Supercedes Rule:

Division: Research

Rule Title: Provision of Pavement Condition Data to Parties Outside MDOT

The person to be contacted regarding the proposed rule is: Facility and Records Management Director

Name of person originating the proposed rule: Cynthia G. Drake, Pavement Management Engineer

Name of supervisor or person who approved the proposed rule: Randy Battey, State Research Engineer

Purpose:

To outline a procedure for providing information regarding pavement condition to interested parties.

Summary:

An entity outside MDOT who wishes to obtain pavement condition data from MDOT's Pavement Management System (PMS) needs to contact MDOT's Legal Division, who will then request the information from Research Division's pavement management unit.

All cites herein refer to the most current version of the cited document.

On occasion entities outside MDOT request pavement condition information in the form of reports and/or video. The interested party must contact MDOT's Legal Division and state the reason for obtaining the information. Legal Division will then contact the Research Engineer, who will then have the pavement management unit furnish the report and/or video to the interested party. A fee of \$36.00 will be charged for recording VHS tapes, DVDs or other electronic media, and a fee of \$0.25 per page will be charged for copying paper reports. MDOT reserves the right to charge additional fees if personnel time, mailing, and other duties involved in procuring the information become prohibitive.
