MISSISSIPPI DEPARTMENT OF TRANSPORTATION
 APPLICATION FOR PERMIT TO ERECT OUTDOOR SIGNS

Part I - Instructions

Complete the application, signed, notarized, and present it to the Mississippi Department of Transportation (MDOT) District Office serving the District where the sign is to be located. Attach an \$85.00 fee made payable to the **MISSISSIPPI TRANSPORTATION COMMISSION**. If this application is approved, the applicant agrees to abide by the provisions of Mississippi Laws and the rules and regulations established by the Mississippi Transportation Commission pertaining to outdoor advertising, and certifies that the below described sign will be erected and maintained in accordance with all specification, standards and requirements under these laws, rules and regulations. **MDOT, by issuance of this permit, does not represent that the sign or location thereof meets city, county and/or local government laws, orders, ordinances and / or other regulations. (Type or print legibly in dark ink)**

Part II - Applicant Information

Full Name of Applicant / Representative :	First Name	Middle Initial	Last Name
Street Address :			
City :			
State :			
Zip Code :			
Phone Number :			
Submission Date :			
Company Name :	Note: If company name is populated then applicant information will be the representative for the company for the application.		
Email :			

Part III - Location of Sign

County :		City : (or nearest City)	
Highway Number :			
Side of Highway :	(N,S,E,W)		
Site is : (Check One)	Inside City Limits	Outside City Limits	
Detail :	Miles (Distance)	of (N,E,S,W)	and (Centerline of nearest connecting road) feet outside of the right of way line
GPS Location (0.00000)°	North	West	

Is the proposed sign site located :(Select Yes or No)

In a manner that would create a safety hazard, for example, obstruct a driver's view of signals or merging traffic ?	Yes	No
At least 500 feet from at grade intersections of primary routes ? Rule Section I (2) (b)	Yes	No
At least 500 feet from entry and exit ramps including acceleration and deceleration lanes ? Rule Section I (2) (a)	Yes	No
At least the required distances from other legally permitted signs on the same side of the highway, as indicated below ?	Yes	No

Distance sign is to be located from another permitted sign :

(Note: In general, a road designated as a freeway or interstate has control of access to its main lanes)

- 500 feet for an interstate highway or freeway - Rule Section I (3) (a)
- 350 feet for a nonfreeway primary highway outside city limits - Rule Section I (3) (b) (2)
- feet for a nonfreeway primary highway inside city limits - Rule Section I (3) (b) (l)

ACCESS : It is unlawful to erect, repair, or maintain a sign from the right of way of any fully controlled access highway. Please describe in the space provided your means of gaining access to the proposed sign site :

Part IV - Unzoned Commercial/ Industrial Qualifications

You MUST complete this part of the application if your proposed sign site is located in an area not officially zoned by law. [NOTE : Some cities or counties may not have zoning, therefore the unzoned commercial rules would apply.]

ACTIVITY 1

Zoning Designation :	
Company Name :	
Address :	
City :	
State :	
Zip Code :	
Manager/ Owner :	
Phone Number :	
Type of Activity :	

ACTIVITY 2

Company Name :	
Address :	
City :	
State :	
Zip Code :	
Manager/ Owner :	
Phone Number :	
Type of Activity :	

Answers to the questions below must be true for both activities, not just one :(Select Yes or No)		
Is the site within 800 feet of two adjacent recognized commercial / industrial activities ?	Yes	No
Are these activities on the same side of the highway ?	Yes	No
Is an integral part of each activity adjacent to one another ?	Yes	No
Is the area predominantly used for residential purpose ? (More than 50%)	Yes	No
Is a principal part of each activity within 200 feet of the highway right of way line ?	Yes	No
Is each activity in a permanent building with an indoor restroom, telephone, running water, functional electrical connections, adequate heating and permanent flooring?	Yes	No
Is at least 300 square feet of the building devoted to each activity ?	Yes	No
Is each activity visible from the main traveled traffic lanes of the regulated highway ?	Yes	No
Is each activity conducted by personnel ?	Yes	No
Is each activity conducted at least 30 hours spread over 4 days days per week ?	Yes	No
Has each activity been open for at least 6 months ?	Yes	No
Is this activity an apartment house or residential condominium ?	Yes	No
Is either one an agricultural, forestry, ranching, grazing, farming, or related activity ?	Yes	No
Is either activity on railroad right of way ?	Yes	No

Part X - For Central Office Use Only

Upon review of this application and the accompanying documents, it appears that the proposed sign is :

Conforming Nonconforming

This permit is recommended for approval for the sign described above at the location specified in this application. This permit shall be valid for one (1) year. The sign must be erected within that year. If said sign is not erected before this permit expires, applicant must obtain a new permit. This sign must be legally maintained in accordance with all applicable laws, regulations and the provisions of this permit. Applicant must advise the district office when the sign has been built. This permit cannot be assigned or transferred without notification to the Department. Issuance of this permit shall not be deemed to create a property right.
