

**SHORT-LISTED RESPONDERS FOR US 90 ACROSS BILOXI BAY  
BILOXI TO OCEAN SPRINGS  
PROJECT NO. ER/BR-0003-01(099) 104556**

April 5, 2006

On March 8, 2006, the Mississippi Transportation Commission (COMMISSION) advertised a Request for Qualifications (RFQ) to solicit letters of interest and qualifications from firms interested in providing roadway and bridge design and construction services necessary for the construction of the US 90 bridge across Biloxi Bay in Harrison and Jackson Counties, Mississippi, utilizing the Design-Build method of contracting. The deadline for submittals by all firms, consortia, partnerships, joint ventures and others (RESPONDERS) was March 29, 2006. After evaluation and scoring of the responsive submittals to the RFQ, the COMMISSION has short-listed the following three (3) RESPONDERS (in alphabetical order).
