To: ALL POTENTIAL BIDDERS

Date: 03/21/2008

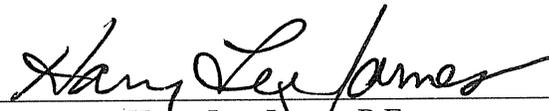

RE: IM-0020-02(072) / 103927301 -- Newton County

Bidders are hereby advised that the limits of payment for clearing and grubbing on this project shall be the area between the tree trunk and/or the undergrowth line on the roadway side and the outer limit established in accordance with sheet no. 54 in the plans. The outer limit will be established one time by the Project Engineer. All stumps within these limits shall be completely removed and grinding will **NOT** be permitted.

Stump holes shall be backfilled with existing material within a reasonable proximity of the site. When existing material is not readily available, the Engineer will authorize the use of topsoil to backfill stump holes.

Disturbed areas outside these limits that are not within the loading zones shall not be measured for separate payment and shall be restored by the Contractor at no additional cost to the Department

Your formal acknowledgment of receipt of this notification will be entered into our records and indicates your understanding of requirements for clearing and grubbing on this project and that you have bid accordingly. Please sign this sheet and return by FAX to MDOT Contract Administration Engineer at 601-359-7732.
