RE: STP-7338-00(004) / 104818301 -- Rankin County

Bidders are hereby advised that bid sheet line number 0400, 637-A001, Equipment Cabinet, was inadvertently included on the Summary of Quantities Sheet of the plans and in the list of bid items. All requirements relating to the equipment cabinet is paid for under bid sheet line number 0470, 642-A009, Solid State Traffic Actuated Controller Modification, Type 8A. Bidders are advised to bid line item number 400 at a unit price of \$1.00. Failure to do so may cause the bid to be considered irregular.

Bidders are also advised that the description for bid sheet line number 0472 indicates that this is a modification to a controller. This is in error. The correct pay item description should have been "Solid State Traffic Actuated Controller, Type 8A" without the word "Modification".

Your formal acknowledgment of receipt of this notification will be entered into our records and indicates your understanding of the requirements for the equipment cabinet and traffic signal controller for this project and that you have bid accordingly. Please sign this sheet and return by FAX to MDOT Contract Administration Engineer at 601-359-7732.
