**To: ALL POTENTIAL BIDDERS**

**Date: 09/19/2008**

**RE: BR-0921-00(016) / 103317301 -- Marshall County**

Bidders are hereby advised that the addendum for this project deleted the Haul Permit For Bridges in the back of the proposal that allowed the transport of loads exceeding the posted limit on bridges when making deliveries to and from the project. Bidders are advised that when a road is open to the traveling public, the posted weight limit **will** be enforced for everyone, including the successful bidder of this project. Bidders are advised to consider this when preparing their bid.

Bidders are advised that the posted weight limit for Bridge No. 8.5 is 15,700 pounds, Bridge No. 10.7 is 15,700 pounds, and Bridge No. 14.0 is 12,700 pounds.

Your formal acknowledgment of receipt of this notification will be entered into our records and indicates your understanding of the weight limit for bridges on this project and that you have bid accordingly. Please sign this sheet and return by FAX to MDOT Contract Administration Engineer at 601-359-7732.
