Bidders are hereby advised that a clarification needs to be made to the fifth paragraph of Notice to Bidders No. 2536 on page 81 of the proposal regarding vehicular loop assemblies. The method of measurement and basis of payment for all vehicular loop assemblies on this project will be in accordance with Subsections 635.04 and 635.05 of the Standard Specifications book. No measurement or payment will be made for loop lead-ins to the pull boxes.

A revision to Notice To Bidders No. 2536 to reflect this change will be performed with a Class IV Supplemental Agreement at the time of execution of the contract.

Your formal acknowledgment of receipt of this notification will be entered into our records and indicates your understanding of the measurement for payment of the vehicular loop assemblies on this project and that you have bid accordingly.
