**To: ALL POTENTIAL BIDDERS**

**Date: 05/22/2009**

**RE: STP-0074-01(010) / 105381301 -- Lauderdale County**

Bidders are hereby advised that the description in bid sheet Line No. 030, Removal of Flared End Section, All Sizes, is in error. The correct description should have been Removal of Flared Guard Rail End Section, All Types.

Bidders are instructed to prepare their unit bid price for Bid Sheet Line No. 030 based on the removal of a **flared guard rail end section** instead of a pipe flared end section.

**DO NOT CHANGE THE PROPOSAL DESCRIPTION.** Total bid for Line No. 030 must be based on a unit bid price for the removal of a guard rail end section and extended using the description for a flared end section, as shown on the original bid sheets.

Your formal acknowledgment of receipt of this notification will be entered into our records and indicates your understanding of the pay item for removal of guard rail end sections on this project, and that you have bid accordingly. Please sign this sheet and return by FAX to MDOT Contract Administration Engineer at 601-359-7732.

Melinda L. McGrath, P.E.  
Chief Engineer / Deputy Executive Director
