

SECTION 905 -- PROPOSAL (CONTINUED)

I (We) further propose to execute the attached contract agreement (Section 902) as soon as the work is awarded to me (us), and to begin and complete the work within the time limit(s) provided for in the Specifications and Advertisement. I (We) also propose to execute the attached contract bond (Section 903) in an amount not less than one hundred (100) percent of the total of my (our) part, but also to guarantee the excellence of both workmanship and materials until the work is finally accepted.

I (We) enclose a certified check, cashier's check or bid bond for **five percent (5%) of total bid** and hereby agree that in case of my (our) failure to execute the contract and furnish bond within Ten (10) days after notice of award, the amount of this check (bid bond) will be forfeited to the State of Mississippi as liquidated damages arising out of my (our) failure to execute the contract as proposed. It is understood that in case I am (we are) not awarded the work, the check will be returned as provided in the Specifications.

Bidder acknowledges receipt of and has added to and made a part of the proposal and contract documents the following addendum (addenda):

SECTION 904 - NOTICE TO BIDDERS NO.2725

CODE: (SP)

DATE: 07/17/2009

SUBJECT: Containment System for Maintenance Structures

PROJECT: IM-0220-03(032) 105246/301000 – Hinds County

Bidders are hereby advised that the operations on this project require the use of a containment system. The contractor shall design, install, and maintain a containment system to assure the traveling public will not be exposed to construction debris and materials during the cleaning and painting process. The containment system shall be approved by the Engineer before work will be allowed to begin on the structure. The containment system shall be designed to contain chips, flakes, water, debris, paint, etc in accordance with local, state, and federal regulations. The Contractor shall be responsible for all property damaged by overspray during the painting process.

There will be no separate payment for the containment system. The cost of materials and labor should be absorbed into other items bid.
