RE: Call No. 6, IM-0059-02(098) / 102340302 -- Jones County

Bidders are hereby advised that the bid sheets for this project have incorrect pay item numbers and units of measurement for Line Nos. 1080, 1090 & 1100. The pay items numbers should have had the "907" prefix since they are Contractor Designed and the units of measurement should have been per each as follows:

1080	907-684-A001	25 Each	Pole Foundation, 24" Diameter
1090	907-684-A002	2 Each	Pole Foundation, 36" Diameter
1100	907-684-A003	3 Each	Pole Foundation, 48" Diameter

DO NOT CHANGE THE PAY ITEM NUMBERS OR UNITS OF MEASUREMENT. Total bid for Line No. 1080, 684-A003, Pole Foundation, 24" Diameter, must be based on a unit bid price per each foundation and extended using a quantity of 25 cubic yards as shown on the original bid sheets. Total bid for Line No. 1090, 684-A004, Pole Foundation, 36" Diameter, must be based on a unit bid price per each foundation and extended using a quantity of 2 cubic yards as shown on the original bid sheets. Total bid for Line No. 1100, 684-A006, Pole Foundation, 48" Diameter, must be based on a unit bid price per each foundation and extended using a quantity of 3 cubic yards as shown on the original bid sheets.

Bidders are also advised that the plans and bid sheets for this project show a pay item for Piling under Line No. 1140, 684-C001, 710 Linear Feet, Piling. This pay item was inadvertently included in the contract and **WILL NOT** be used on this project. It is suggested that this pay item be bid at a unit price of \$0.01. **DO NOT BID \$0.00.** If the unit price for this pay item is left blank or bid at \$0.00, the Contractor's proposal will be considered irregular.

Your formal acknowledgment of receipt of this notification will be entered into our records and indicates your understanding of the requirements for the Contractor Designed Foundations on this project, and that you have bid accordingly.

Please have an authorized representative of your company sign this FAX and return by FAX to 601-359-7732.
