RE: Call No. 7, HSIP-0022-03(024) / 105548301 -- Chickasaw County

Bidders are advised that the vegetation schedule on Sheet VS-1 / 11 in the plans has a rate of application for vegetative materials for mulch. The application of mulch material on grassed areas will be required on this project. A pay item for 215-A, Vegetative Materials for Mulch, was inadvertently omitted from the plans and bid sheets. Therefore, all costs associated with the placement of vegetative mulch on this project will be included in the bid price of other grassing items.

Bidders are also advised that the bid sheets for this project shows the unit of measurement for Line No. 0292, 619-A2002, Temporary Traffic Stripe, Continuous Yellow, to be Mile. This is in error. The correct unit of measure is **Linear Foot**. The quantity of 5,696 is correct.

Bidders are instructed to prepare their unit bid price for 619-A2002, Temporary Traffic Stripe, Continuous Yellow, based on a unit of measure by the linear foot instead of by the mile.

DO NOT CHANGE THE PROPOSAL UNIT OF MEASURE. Total bid for Line No. 0292, 619-A2002, Temporary Traffic Stripe, Continuous Yellow, must be based on a unit bid price for 5,696 linear feet and extended using a unit of measure per mile.

Your formal acknowledgment of receipt of this notification will be entered into our records and indicates your understanding of the requirement and payment of vegetative mulch and the unit of measurement for temporary continuous yellow traffic stripe on this project, and that you have bid accordingly.
