To: ALL POTENTIAL BIDDERS

Date: 11/20/2009

RE: Call No. 6, STP-0015-01(065) / 105579301 -- Adams County

Bidders are advised that the Summary of Quantities Sheets in the plans and the bid sheets indicate a pay item for underground branch circuits with 3 conductors. This is in error. All branch circuits are 4 conductor. Line no. 0260, 682-A, Underground Branch Circuit, AWG 4, 3 Conductor and line no. 0270, 682-A, Underground Branch Circuit, AWG 8, 3 Conductor should be 4 conductor circuits.

Bidders are instructed to prepare their unit bid price for these items of work based on **4 Conductor** circuits instead of 3 Conductor circuits.

DO NOT CHANGE THE PROPOSAL DESCRIPTION. Total bid for line Nos. line no. 0260, 682-A, Underground Branch Circuit, AWG 4, 3 Conductor and line no. 0270, 682-A, Underground Branch Circuit, AWG 8, 3 Conductor, must be based on 4-conductor circuits and extended using the pay item for 3-conductor circuits.

Your formal acknowledgment of receipt of this notification will be entered into our records and indicates your understanding of the number of conductors for the circuits on this project, and that you have bid accordingly.

Please have an authorized representative of your company sign this page and return by FAX to 601-359-7732.
