**RE: Call No. 1, IM-0055-01(066) / 102302301 -- Copiah County**

Bidders are advised that the plans restrict the length of lane closures to one (1) mile. This is in error. The length of lane closures may be extended to three (3) miles if it does not cause a major problem with the traveling public. Should a 3-mile lane closure cause unusually heavy traffic buildup, the Engineer has the right to shorten the lane closure down to one mile to alleviate traffic congestion.

Your formal acknowledgment of receipt of this notification will be entered into our records and indicates your understanding of the lane closure length on this project, and that you have bid accordingly.
