**To: ALL POTENTIAL BIDDERS**

**Date: 01/21/2010**

**RE: Call No. 9, HSIP-0056-01(069) / 105558301 & 302 - Hinds & Rankin Counties**

Bidders are advised that the pay item for the temporary impact attenuators shown in the plans and on the bidsheets indicate that the speed rating for devices is 45 MPH. This is in error. The correct speed rating for Line No. 0450, 619-J1005, Impact Attenuator, 45 MPH should be **50 miles per hour** instead of 45 miles per hours.

**DO NOT CHANGE THE PROPOSAL DESCRIPTION.** Total bid for Line No. 0450, 619-J1005, Impact Attenuator, 45 MPH, must be based on a unit bid price for a **50 MPH** impact attenuator and extended using the description for the 45 MPH attenuator.

Your formal acknowledgment of receipt of this notification will be entered into our records and indicates your understanding of the speed rating for the impact attenuators on this project, and that you have bid accordingly.

Please have an authorized representative of your company sign this page and return by FAX to 601-359-7732.
