the scope of the
 classifications listed may be added after award only as
 provided in the labor
 standards contract clauses (29 CFR 5.5(a)(1)(ii)).

 --

In the listing above, the "SU" designation means that rates
 listed under the
 identifier do not reflect collectively bargained wage and
 fringe benefit
 rates. Other designations indicate unions whose rates have
 been determined
 to be prevailing.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can
 be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on
 a wage
 determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests
 for summaries
 of surveys, should be with the Wage and Hour Regional Office
 for the area in
 which the survey was conducted because those Regional Offices
 have
 responsibility for the Davis-Bacon survey program. If the
 response from this
 initial contact is not satisfactory, then the process described
 in 2.) and
 3.) should be followed.

With regard to any other matter not yet ripe for the formal
 process
 described here, initial contact should be with the Branch of
 Construction
 Wage Determinations. Write to:

Branch of Construction Wage Determinations
 Wage and Hour Division
 U.S. Department of Labor
 200 Constitution Avenue, N.W.
 Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an
 interested party
 (those affected by the action) can request review and
 reconsideration from

the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7).

Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

END OF GENERAL DECISION

Replacing two bridges and overlaying approximately 10 miles of U.S. Highway 49 between Flora and Yazoo County Line, known as Federal Aid Project No. NH-0008-03(032) / 100554301, in the County of Madison, State of Mississippi.

I (We) agree to complete the entire project within the specified contract time.
