To: ALL POTENTIAL BIDDERS

Date: 04/22/2010

RE: Call No. 1, NH-0008-03(032) / 100554301 -- Madison County

Bidders are hereby advise that Line No. 0500, 619-F1009, Portable Median Barrier, 60 MPH, was inadvertently included on the summary of quantities sheets in the plan sheets and on the bid sheets in the proposal. This pay item **will not** be used on this project. Bidders are advised that they should bid a unit price of \$0.01 on the bid sheets.

In addition, bidders are hereby advised that the typical sections in the plans indicate that the plan quantities for the full depth reclamation using asphalt emulsion were based on 4% asphalt emulsion by volume. This is incorrect. The quantities were based on 4% asphalt emulsion by weight.

Furthermore, bidders are hereby advised that the typical section in the plans indicate that the plan quantities for the full depth reclamation using cement were based on 5% Portland Cement by volume. This is incorrect. The quantities were based on 5.5% Portland Cement by volume.

Your formal acknowledgment of receipt of this notification will be entered into our records and indicates your understanding that the portable median barriers will not be used on this project, the quantities for full depth reclamation using asphalt emulsion were based on 4% asphalt emulsion by weight, and the quantities for full depth reclamation using cement was based on 5.5% Portland Cement by volume, and you have bid accordingly.

Please have an authorized representative of your company sign this page and return by FAX to 601-359-7732.
