RE: Call No. 8, STP-0022-04(034) / 101630301 -- Union County

Bidders are hereby advised of the following changes for this project.

- the recap sheets for the driveways indicate the driveways to be constructed with 12.5-mm asphalt mix. This is incorrect. The driveways shall be constructed with 9.5-mm asphalt mix.
- the size of the railing pipe in the detail in the top right corner of Plan Sheet 466.1 is in error. The correct size is 1½" as shown else where in the plans.
- The cost of the foundations for the traffic signal poles will be included in the 907-639-A pay item for the poles listed on the bid sheets.
- The following table lists the requirements for the secondary power controller at the specified location.
