RE: Call No. 2, IM-9999-05(009) / 105445301, 302 & 303 -- Hinds, Madison and Rankin Counties

Bidders are advised that on page 2 of Special Provision 907-721-2 in the contract documents, it states that "All Types of Sheeting shall retain 80% of the initial values listed in Table 1 for 15 years". This is in error. The sheeting is only required to retain 80% of the initial values for a period of **10 years**. A revised 907-721 special provision addressing this change will be added to the contract by Class IV Supplemental Agreement during the execution of the contract.

Your formal acknowledgment of receipt of this notification will be entered into our records and indicates your understanding that the sign sheeting on this project will only have to retain 80% of the initial values for a period of 10 years, and that you have bid accordingly.

Please have an authorized representative of your company sign this page and return by FAX to 601-359-7732.
