RE: Call No. 06, SP-0003-01(107) / 105846301 -- Harrison County

Bidders are hereby advised that the note in bold text on page 14 of the plans states that the poles and luminaires shall be compatible with the Mississippi Power Company requirements.

Any pole submitted for use on this project must meet the following criteria:

1. Fiberglass construction, direct buried, grey in color
2. Meet current AASHTO breakaway requirements
3. Meet 140 mph AASHTO 2001 wind speed design
4. Compatible with Mississippi Power Company requirements

Your formal acknowledgment of receipt of this notification will be entered into our records and indicates your understanding of the pole requirements on this project and that you have bid accordingly.

Please have an authorized representative of your company sign this page and return by FAX to 601-359-7732.
