

SECTION 905 -- PROPOSAL (CONTINUED)

I (We) further propose to execute the attached contract agreement (Section 902) as soon as the work is awarded to me (us), and to begin and complete the work within the time limit(s) provided for in the Specifications and Advertisement. I (We) also propose to execute the attached contract bond (Section 903) in an amount not less than one hundred (100) percent of the total of my (our) part, but also to guarantee the excellence of both workmanship and materials until the work is finally accepted.

I (We) enclose a certified check, cashier's check or bid bond for **five percent (5%) of total bid** and hereby agree that in case of my (our) failure to execute the contract and furnish bond within Ten (10) days after notice of award, the amount of this check (bid bond) will be forfeited to the State of Mississippi as liquidated damages arising out of my (our) failure to execute the contract as proposed. It is understood that in case I am (we are) not awarded the work, the check will be returned as provided in the Specifications.

Bidder acknowledges receipt of and has added to and made a part of the proposal and contract documents the following addendum (addenda):

ADDENDUM NO. 1 DATED 10/8/2010 ADDENDUM NO. DATED
 ADDENDUM NO. 2 DATED 10/19/2010 ADDENDUM NO. DATED

MISSISSIPPI DEPARTMENT OF TRANSPORTATION

SECTION 904 - NOTICE TO BIDDERS NO. 3213

CODE: (SP)

DATE: 10/18/2010

SUBJECT: Restoration of Channels

PROJECT: IM-0020-02(080) 105870301 -- Scott County

Bidders are hereby advised that the cleaning of all channels, for the purpose of the restoration of the drainage systems, from right-of-way to right-of-way will be required on this project. This includes all channels associated with box bridges (including barrels), box culverts (including barrels), and bridges (including area underneath bridges). This work shall consist of, but not limited to, the clearing of all trees, bushes, brush, silt, foreign materials, etc. from the bottom and slopes of channels. Grubbing will not be required for this work. All materials removed from the channels shall be properly disposed of off the right-of-way. The use of temporary pipe, filling of channels, and any other materials that could block the channel will not be allowed. Slope and channel stabilization shall be required for all disturbed areas and shall be stabilized using existing erosion control items.

In the event any existing fence prohibits access to the channels. It shall be the responsibility of the Contractor to remove and replace all existing fence necessary to gain access. All damage to the fence as a result of the removal process shall be replaced at the Contractor's expense. No separate pay item will be made for removing and replacing fence, and it shall be included in the cost of other items bid.

Payment for all materials, labor, equipment, etc. shall be included in the bid price for Pay Item 201-D001 Random Clearing.

MISSISSIPPI DEPARTMENT OF TRANSPORTATION

SECTION 904- NOTICE TO BIDDERS NO. 3263

CODE: (SP)

DATE: 10/14/2010

SUBJECT: B9-6 Borrow Material

PROJECT: IM-0020-02(080) / 105870301 -- Scott County

Bidders are hereby advised that in any location the plans specify the use of Class B-15 Borrow Material, Class B9-6 Borrow Material may be used.

The Class B9-6 Borrow Material shall have a 50% maximum volume change.

There will not be a separate pay item for B9-6 Borrow Material.

MISSISSIPPI DEPARTMENT OF TRANSPORTATION

SECTION 904- NOTICE TO BIDDERS NO. 3264

CODE: (SP)

DATE: 10/14/2010

SUBJECT Lime Treatment of Crossovers

PROJECT: IM-0020-02(080) / 105870301 -- Scott County

Bidders are hereby advised that the seasonal limitations for lime treatment shall not apply to the construction of the crossovers.

MISSISSIPPI DEPARTMENT OF TRANSPORTATION

SECTION 904- NOTICE TO BIDDERS NO. 3269

CODE: (SP)

DATE: 10/19/2010

SUBJECT: Construction Milestones

PROJECT: IM-0020-02(080) / 105870301 - Scott County

The Department desires to expedite construction on this project in order to minimize the inconvenience to the traveling public and to reduce the time of construction. In order to achieve this goal, Milestone provisions have been established for this contract.

Milestones are defined as follows:

Milestone #1. The Milestone #1 calendar day timeline shall begin the day a permanent lane closure is set up to place concrete median barriers on eastbound lanes for Phase II of the traffic control plan. The milestone will be complete when all items of work from the north Right-of-way to at least 50 feet south of westbound travel lane (excluding the final lift of asphalt, final thermoplastic placement, and growth and coverage), the concrete median barriers are removed from eastbound lanes, and traffic is opened to 4-lane operation. Satisfactory completion requires temporary stripe to be in place, the absence of noncompliant pavement drop-offs, and shall be at the approval of the Engineer.

The amount of the Milestone #1 liquidated damages shall be **\$15,500.00** per calendar day until the provisions of Milestone #1 are satisfied. This amount includes liquidated damages and road user costs.

Milestone #2. The Milestone #2 calendar day timeline shall begin the day a permanent lane closure is set up to place concrete median barriers on westbound lanes for Phase III of the traffic control plan. The milestone will be complete when all items of work from the south Right-of-way to at least 50 feet north of eastbound travel lane (excluding the final lift of asphalt, final thermoplastic placement, and growth and coverage), the concrete median barriers are removed from westbound lanes, and traffic is opened to 4-lane operation. Satisfactory completion requires temporary stripe to be in place, the absence of noncompliant pavement drop-offs, and shall be at the approval of the Engineer.

The amount of the Milestone #2 liquidated damages shall be **\$15,500.00** per calendar day until the provisions of Milestone #2 are satisfied. This amount includes liquidated damages and road user costs.

The Contractor specified calendar days for Milestone #1, Milestone #2 and final Contract Completion shall only be adjusted in accordance with Special Provision No. 907-108-22.

The Contractor will be allowed to work twenty-four (24) hours per day, seven (7) days a week which include Sunday's and any legal holidays during only the milestone portions of the project. Any work requiring either a lane closure and/or a shoulder closure shall be performed during the milestone portions of the project excluding the work omitted in Milestones #1 & #2, Phase 1, lighting burn in period and the overlay from station 870+00 to the E.O.P.

Milestone Liquidated Damages

Should the Contractor fail to complete each project milestone by the specified number of calendar days and/or as extended by Special Provision No. 907-108-22, the Department shall deduct **\$15,500.00** for each calendar day until project milestones #1 and #2 are respectively completed as documented by the Project Engineers' concurrence with satisfactory completion, from the monies due the Contractor. The maximum amount shall be **unlimited**. This deduction shall be for road user and Departmental costs associated with the Contractor failing to timely pursue the necessary items of work by the Contractor specified calendar days for each milestone.

Subsection 108.07 of the Mississippi Standard Specifications for Road and Bridge Construction, 2004 Edition, relating to liquidated damages remains in effect. The applicable daily charge will be made for each calendar day after the Specified Contract Completion date.

MISSISSIPPI DEPARTMENT OF TRANSPORTATION

SECTION 904- NOTICE TO BIDDERS NO. 3270

CODE: (SP)

DATE: 10/19/2010

SUBJECT: Construction Requirements

PROJECT: IM-0020-021(080) 105870301 – SCOTT COUNTY

Bidders are hereby advised that the Contractor awarded the project shall submit a construction narrative with a proposed schedule for the entire project prior to commencing any construction activities. The schedule shall be a bar-chart type schedule submitted on 11"x17" paper. Within this narrative and schedule, a detailed timeline of operations and procedures to occur within each construction milestones shall be included. The Contractor must furnish the Project Engineer in writing the intent and start-date of each milestone 14 days in advance of construction.

MISSISSIPPI DEPARTMENT OF TRANSPORTATION

SPECIAL PROVISION NO. 907-108-22

CODE: (SP)

DATE: 10/19/2010

SUBJECT: Prosecution and Progress

PROJECT: IM-0020-021(080) 105870 – SCOTT COUNTY

Section 108, Prosecution and Progress, of the 2004 Edition of the Mississippi Standard Specifications for Road and Bridge Construction is hereby amended as follows:

907-108.01--Subletting of Contract.

907-108.01.1--General. At the end of the last paragraph of Subsection 108.01.1 on page 73, add the following:

The Engineer will have the authority to suspend the work wholly or in part and to withhold payments because of the Contractor's failure to make prompt payment within 15 calendar days as required above, or failure to submit the required OCR-484 Form, Certification of Payments to Subcontractors, which is also designed to comply with prompt payment requirements.

907-108.02--Notice To Proceed. Delete the fourth paragraph of Subsection 108.02 on page 75 and substitute the following:

Upon written request from the Contractor and if circumstances permit, the Notice to Proceed may be issued at an earlier date subject to the conditions stated therein. The Contractor shall not be entitled to any monetary damages or extension of contract time for any delay claim or claim of inefficiency occurring between the early issuance Notice To Proceed date and the Notice to Proceed date stated in the contract.

907-108.03.2--Preconstruction Conference. Delete the first paragraph of Subsection 108.03.2 on page 76 and substitute the following:

Prior to commencement of the work, a preconstruction conference shall be held for the purpose of discussing with the Contractor essential matters pertaining to the prosecution and satisfactory completion of the work. The Contractor will be responsible for scheduling the preconstruction conference. The Contractor will advise the Project Engineer in writing 14 days prior to the requested date that a conference is requested. When the contract requires the Contractor to have a certified erosion control person, the Contractor's certified erosion control person shall be at the preconstruction conference. The Department will arrange for utility representatives and other affected parties to be present.

907-108.06--Determination and Extension of Contract Time. Delete Subsection 108.06 in toto, and insert:

907-108.06--Determination and Extension of Contract Time. Milestone #1, Milestone #2 and the Specified Contract Completion will be established on the basis of completion dates, as established by the Contractor and as indicated in the contract documents. The span of time allowed for the completion of the physical features of work included in the contract will be indicated in the contract documents and will be known as "Contract Time."

The span of time allowed in the contract as awarded is based on the quantities used for comparison of bids. If satisfactory fulfillment of the contract requires performance of work in greater quantities than those set forth in the contract documents for each phase, the time allowed for completion of Milestone #1, Milestone #2 and Specified Contract Completion dates, as applicable, shall be increased in calendar days in the same ratio that the cost of such added work, exclusive of the cost of work altered by supplemental agreement for which a time adjustment is made for such altered work in the supplemental agreement, bears to the total value of the original contract unless it can be established that the extra work was of such character that it required more time than is indicated by the money value.

Milestone #1 and Milestone #2 time extensions for quantity overruns will be evaluated independently based upon the quantities and dollar amounts for each phase and will only apply to the respective milestone and may not affect the Specified Contract Completion date. The Specified Contract Completion date will be evaluated based upon time extensions for the milestone portions of the project and the Contractor's schedule.

The Contractor shall provide sufficient materials, equipment and labor to guarantee the completion of the project in accordance with the plans and specifications within the Contract Time.

At any given date, the ratio of the accumulated monetary value of that part of the work actually accomplished to the total contract bid amount adjusted to reflect approved increases or decreases shall determine the "percent complete" of the work.

The percentage elapsed time shall be calculated as a direct ratio of the expired calendar days to the total calendar days provided for in the contract.

No extension of the Contractor specified dates will be granted except as provided herein, and, except for abnormal delays caused solely by the State or other governmental authorities, or unforeseeable disastrous phenomena of nature of the magnitude of earthquakes, hurricanes, tornadoes which are deemed to unavoidably prevent prosecuting the work.

In the event the Engineer determines that the completion dates when extended as provided in the contract would cause certain items of work or portions thereof, properly prosecuted in the normal sequence and manner, to fall within a period of seasonal or temperature limitations, he will make a determination as to the scope of unavoidable delays, if any, contemplated because of such seasonal or temperature limitations for periods in excess of those contemplated in the original contract. The Director may thereupon establish a revised contract completion date by notifying

the Contractor and his Surety in writing of such established completion date as warranted by the engineering determination.

907-108.06.1--Cessation of Contract Time. When the Engineer by written notice schedules a final inspection, time will be suspended until the final inspection is conducted and for an additional 14 calendar days thereafter. If after the end of the 14-day suspension all necessary items of work have not been completed, time charges will resume. If the specified completion date had not been reached at the time the Contractor called for a final inspection, the calendar day difference between the specified completion date and the date the Contractor called for a final inspection will be added after the 14-day period before starting liquidation damages. If a project is on liquidated damages at the time a final inspection is scheduled, liquidated damages will be suspended until the final inspection is conducted and for seven (7) calendar days thereafter. If after the end of the 7-day suspension all necessary items of work have not been completed, liquidated damages will resume. When final inspection has been made by the Engineer as prescribed in Subsection 105.16 and all items of work have been completed, the daily time charge will cease.

907-108.07--Failure to Complete Work on Time. Delete Subsection 108.07 in toto, and insert:

A milestone Liquidated Damages amount of **\$15,500** per Calendar Day shall be set for each construction milestone as set forth in the Notice to Bidders for Construction Milestones. This amount includes liquidated damages and road user costs.

Liquidated Damages shall be set at **\$7,500** per Calendar Day for each Calendar Day after the Specified Contract Completion date, or authorized extension thereof, and until all work under the contract is completed.

907-108.10--Termination of Contractor's Responsibility. In the last sentence of Subsection 108.10 on page 88, change "bond" to "performance and payment bond(s)".

Pavement Restoration on I-20, from SR 481 to the Newton County Line, known as Federal Aid Project No. IM-0020-02(080) / 105870301, in the County of Scott, State of Mississippi.

I (We) agree to complete the entire project within the specified contract time.

*** SPECIAL NOTICE TO BIDDERS ***

BIDS WILL NOT BE CONSIDERED UNLESS BOTH UNIT PRICES AND ITEM TOTALS ARE ENTERED.

BIDS WILL NOT BE CONSIDERED UNLESS THE BID CERTIFICATION LOCATED AT THE END OF THE BID SHEETS IS SIGNED

*** BID CERTIFICATION ***

TOTAL BID \$ _____

*** DBE/WBE SECTION ***

Complete item nos. 1, 2, and/or 3 as appropriate. See Notice to Bidders addressing Disadvantaged Business Enterprises in Highway Construction.

1. I/We agree that no less than _____ percent shall be expended with small business concerns owned and controlled by socially and economically disadvantaged individuals (DBE and WBE).
2. Classification of Bidder: Small Business (DBE) _____ Small Business (WBE) _____
3. A joint venture with a Small Business (DBE/WBE): _____

*** SIGNATURE STATEMENT ***

BIDDER ACKNOWLEDGES THAT HE/SHE HAS CHECKED ALL ITEMS IN THIS PROPOSAL FOR ACCURACY AND CERTIFIED THAT THE FIGURES SHOWN THEREIN CONSTITUTE THEIR OFFICIAL BID.

BIDDER'S SIGNATURE

BIDDER'S COMPANY

BIDDER'S FEDERAL TAX ID NUMBER

CONTRACT TIME AND COMPARISON OF BIDS

- 1. CALENDAR DAYS FOR MILESTONE #1 \$ _____
(Reference Special Provision 907-108-22)
[NOT TO EXCEED 200 CALENDAR DAYS] (To Be Specified by Bidder)

- 2. CALENDAR DAYS FOR MILESTONE #2 \$ _____
(Reference Special Provision 907-108-22)
[NOT TO EXCEED 200 CALENDAR DAYS] (To Be Specified by Bidder)

- 3. SPECIFIED CONTRACT COMPLETION \$ _____
(Total number of calendar days. Reference Special Provision 907-108-22)
[NOT TO EXCEED 920 CALENDAR DAYS] (To Be Specified by Bidder)

- A. TOTAL BID – DIRECT AND DEPENDENT ITEMS \$ _____
(From Proposal Sheet No. 2 - 18)

- B. VALUE OF CALENDAR DAYS FOR MILESTONE #1 \$ _____
(Calendar Days from line 1 above multiplied by \$15,500.00 per Calendar Day. Line B is for comparison of bids only and will NOT be included in any payment to the Contractor.)

- C. VALUE OF CALENDAR DAYS FOR MILESTONE #2 \$ _____
(Calendar Days from line 2 above multiplied by \$15,500.00 per Calendar Day. Line C is for comparison of bids only and will NOT be included in any payment to the Contractor.)

- D. VALUE OF TOTAL CALENDAR DAYS FOR CONTRACT COMPLETION \$ _____
(Calendar Days from line 3 above multiplied by \$7,500.00 per Calendar Day. Specified Contract Completion will be used to determine the Contract Completion Date.)

- X. TOTAL AMOUNT FOR COMPARISON OF BIDS \$ _____
(Line A + Line B + Line C + Line D)

BIDDER ACKNOWLEDGES THAT THIS SHEET HAS BEEN CHECKED FOR ACCURACY AND CERTIFIES THAT THE FIGURES SHOWN CONSTITUTE THE OFFICIAL AMOUNT FOR COMPARISON OF BIDS.
