

**SECTION 905 -- PROPOSAL (CONTINUED)**

I (We) further propose to execute the attached contract agreement (Section 902) as soon as the work is awarded to me (us), and to begin and complete the work within the time limit(s) provided for in the Specifications and Advertisement. I (We) also propose to execute the attached contract bond (Section 903) in an amount not less than one hundred (100) percent of the total of my (our) part, but also to guarantee the excellence of both workmanship and materials until the work is finally accepted.

I (We) enclose a certified check, cashier's check or bid bond for **five percent (5%) of total bid** and hereby agree that in case of my (our) failure to execute the contract and furnish bond within Ten (10) days after notice of award, the amount of this check (bid bond) will be forfeited to the State of Mississippi as liquidated damages arising out of my (our) failure to execute the contract as proposed. It is understood that in case I am (we are) not awarded the work, the check will be returned as provided in the Specifications.

Bidder acknowledges receipt of and has added to and made a part of the proposal and contract documents the following addendum (addenda):

ADDENDUM NO.   1   DATED   10/8/2010   ADDENDUM NO.            DATED             
 ADDENDUM NO.            DATED            ADDENDUM NO.            DATED

**SECTION 904 - NOTICE TO BIDDERS NO. 3208**

**CODE: (SP)**

**DATE: 10/08/2010**

**SUBJECT: Contract Time**

**PROJECT: IM-0020-02(080) / 105870301 – Scott County**

The date for completion of the work to be performed under this contract will be determined by the total number of Calendar Days known as the Specified Contract Completion, stipulated by the Contractor on Bid Sheet 2 - 19 in the proposal, added to the effective Notice to Proceed /Begin Contract Time date. This will be known as the Contract Completion Date.

It is anticipated that the Notice of Award will be issued no later than **November 9, 2010** and the effective date of the Notice to Proceed / Beginning of Contract Time will be **November 29, 2010**.

Should the Contractor request a Notice to Proceed earlier than **November 29, 2010** and it is agreeable with the Department for an early Notice to Proceed, the requested date will become the new Notice to Proceed / Beginning of Contract Time Date. The Contract Completion Date shall be adjusted by the same number of calendar days that reflects the difference from **November 29, 2010** to the new Notice to Proceed / Beginning of Contract Time Date.

# MISSISSIPPI DEPARTMENT OF TRANSPORTATION

SECTION 904- NOTICE TO BIDDERS NO. 3211

CODE: (SP)

DATE: 10/07/2010

SUBJECT: No Excuse Bonus/Disincentive

PROJECT: IM-0020-02(080) / 105870301 - Scott County

The Department desires to expedite construction on this project in order to minimize the inconvenience to the traveling public and to reduce the time of construction. In order to achieve this goal, a No Excuse Bonus/Disincentive provision has been established for this contract.

The Bonus/Disincentive will be based on two project milestones that are defined as follows:

**Milestone #1.** The milestone #1 calendar day timeline shall begin the day a permanent lane closure is set up to place concrete median barriers on eastbound lanes for Phase II of the traffic control plan. The milestone will be complete when all items of work from the north Right-of-way to at least 50 feet south of westbound travel lane (excluding the final lift of asphalt, final thermoplastic placement, and growth and coverage), the concrete median barriers are removed from eastbound lanes, and traffic is opened to 4-lane operation. Satisfactory completion requires temporary stripe to be in place, the absence of noncompliant pavement drop-offs, and shall be at the approval of the Engineer.

The amount of the Milestone 1 No Excuse Bonus shall be **\$1,000,000.00** and the amount of the No Excuse Disincentive shall be **\$15,500.00** per calendar day until the provisions of milestone #1 are satisfied.

**Milestone #2.** The milestone #2 calendar day timeline shall begin the day a permanent lane closure is set up to place concrete median barriers on westbound lanes for Phase III of the traffic control plan. The milestone will be complete when all items of work from the south Right-of-way to at least 50 feet north of eastbound travel lane (excluding the final lift of asphalt, final thermoplastic placement, and growth and coverage), the concrete median barriers are removed from westbound lanes, and traffic is opened to 4-lane operation. Satisfactory completion requires temporary stripe to be in place, the absence of noncompliant pavement drop-offs, and shall be at the approval of the Engineer..

The amount of the Milestone 2 No Excuse Bonus shall be **\$1,000,000.00** and the amount of the No Excuse Disincentive shall be **\$15,500.00** per calendar day until the provisions of milestone #2 are satisfied.

For the purpose of determining entitlement to the Milestone Bonus or the assessment of disincentives, the Contractor determined Milestone calendar day time will not be adjusted for any reason, cause or circumstance whatsoever, regardless of fault, save and except in the

instance of a catastrophic event (e.g., tornado, earthquake, hurricane or declared state of emergency) which occurs through no fault of the Contractor.

The parties to this contract anticipate that delays may be caused by or arise from any number of events during the course of the contract, included but not limited to work performed, work deleted, change orders, supplemental agreements, quantity adjustments, delays, disruptions, differing site conditions, utility conflicts, design changes/revisions or defects, extra work, right-of-way issues, permitting issues, actions of suppliers, subcontractors or other Contractors, actions by third parties, shop drawing approval process delays, plan review and approval process delays, weather, special events, holidays, suspension of Contractor's operations, or other such events, forces or factors sometimes experienced in highway and bridge construction work. Such delays or events and their potential impact on performance by the Contractor are specifically contemplated and acknowledged by the parties in entering into this contract and shall not extend the specified milestone completion date. Further, any and all cost or impacts whatsoever incurred by the Contractor in accelerating the Contractor's work to overcome or absorb such delays or event impacts in an effort to complete the milestone by the specified milestone completion date, regardless of whether the Contractor successfully does so or not, shall be the sole responsibility of the Contractor in every instance.

If a catastrophic event occurs through no fault of the Contractor (e.g., tornado, earthquake, hurricane or declared state of emergency) directly and substantially affecting the Contractor's operations of the milestone, the Contractor shall provide any and all documentation to support their justification to extend the milestone completion date to the Department within fourteen (14) calendar days of the event. The Department will have fourteen (14) calendar days to review the Contractor's request to extend the specified milestone completion date. If the Contractor and the Department are unable to reach an agreement, the Department shall unilaterally determine the number of calendar days to extend the specified completion date reasonably necessary and due solely to the catastrophic event and the Contractor shall have no right whatsoever to contest such determination, save and except that the Contractor establishes that the number of calendar days determined by the Department was arbitrary or without reasonable basis.

Sunday work will be allowed during the milestone portion of the project.

The Contractor shall have no rights under the contract to make any claims arising out of this No Excuse Bonus/Disincentive provision except as is expressly set forth herein.

As conditions precedent to the Contractor's entitlement to each No Excuse Bonus, the Contractor must:

- (1) Actually complete the project milestone within the calendar days specified by the Contractor.
- (2) The Contractor shall notify the Department in writing within fifteen (15) calendar days of receiving written verification by the Engineer that the project milestone was completed by the specified calendar day and that the Contractor elects to be paid the No Excuse

Bonus which the Contractor is eligible to paid based on completing the project milestone by the specified calendar days, and such written notice shall constitute full and complete waiver, release and acknowledgement of satisfaction by the Contractor of any and all claims, causes of action, issues, demands, disputes, matters or controversies, of any nature or kind whatsoever, known or unknown, against the Commission, its employees, officers, agents, representatives, consultants, and their respective employees, officers and representatives, the Contractor has or may have as to the work performed. Work deleted, change orders, supplemental agreements, quantity adjustments, delays, disruptions, differing site conditions, utility conflicts, design changes/revisions or defects, extra work, right-of-way issues, permitting issues, actions of suppliers, subcontractors or other Contractors, actions by third parties, shop drawing approval process delays, plan review and approval process operations, extended or unabsorbed home office of job site overhead, lost profits, prime mark-up on subcontractor work, acceleration cost, any and all direct and indirect costs, any other adverse impacts, events, conditions, circumstances or potential damages, on or pertaining to, or as to arising out of the contract. This waiver, release and acknowledgement of satisfaction shall be all-inclusive and absolute, save any change orders, supplemental agreements that may be pending on the specified completion date, which will be resolved within fifteen (15) days and prior to the eligible payment to the Contractor of the No Excuse Bonus.

Should the Contractor fail to actually complete the project milestone on or before the specified calendar days, or should the Contractor complete the work by the specified calendar day, but fail to timely request the No Excuse Bonus for any reason, and including but not limited to the Contractor choosing not to fully waive, release and acknowledge satisfaction as set forth in item (2) above, the Contractor shall have no right to any payment whatsoever under this provision.

#### Disincentive

Should the Contractor fail to complete each project milestone by the specified calendar days, the Department shall deduct **\$15,500.00** for each calendar day until project milestones #1 and #2 are respectively completed as documented by the Project Engineers' concurrence with satisfactory completion, from the monies due the Contractor. The maximum disincentive amount shall be **unlimited**. This deduction shall be the disincentive for the Contractor failing to timely pursue the necessary items of work by the specified calendar days for each milestone. Subsection 108.07 of the Mississippi Standard Specifications for Road and Bridge Construction, 2004 Edition, relating to liquidated damages remains in effect. The applicable daily charge will be made for each calendar day after the specified completion date of the total project.

**MISSISSIPPI DEPARTMENT OF TRANSPORTATION**

**SECTION 904 - NOTICE TO BIDDERS NO. 3215**

**CODE: (SP)**

**DATE: 10/05/2010**

**SUBJECT: Crushed Concrete**

**PROJECT: IM-0020-02(080) 105870301 -- Scott County**

Bidders are advised that Pay Item 907-304-D004, Granular Material, Crushed Concrete used as an alternate to Pay Item 907-304-B001, Granular Material, Class 5, Group C, shall consist solely of reclaimed material from the roadway inside the project limits. This material may be used anywhere on the project that Granular Material, Class 5, Group C is required. The material shall meet all requirements set forth in Section 304 of the *2004 Mississippi Standard Specifications for Road and Bridge Construction* for Crushed Concrete. Special note is made of the gradation requirements set forth in Special Provision Section 907-703.04.4.

## MISSISSIPPI DEPARTMENT OF TRANSPORTATION

**SECTION 904 - NOTICE TO BIDDERS NO. 3257**

**CODE: (SP)**

**DATE: 10/07/2010**

**SUBJECT: Exposed Surface Area**

**PROJECT: IM-0020-02(080) / 105870301 -- Scott County**

Bidders are advised to consider the following when preparing their bid on this project.

Subsections 107.22.2 and 107.22.4 of the Standard Specifications restrict the Contractor from having more than 750,000 square feet of exposed surface area at any one time. Bidders are to disregard these statements. This project will be constructed with no restriction on the amount of exposed surface area at any one time. However, disturbed areas that remain inactive for a period of more than fourteen (14) days shall be temporary grassed and mulched. Temporary grassing and mulching shall only be paid one time for a given area.

Prior to beginning any clearing and grubbing operations on the project, controls shall be in place to address areas such as drainage structures, wetlands, streams, steep slopes and any other sensitive areas as directed by the Engineer. Clearing and grubbing should be limited to the minimum area necessary to construct the project. Grubbing operations should be minimized in areas outside the construction limits and stumps should be cut off flush with the existing ground elevations. A buffer area of at least fifteen (15) feet shall be in place adjacent to the right-of-way line and at least five (5) feet adjacent to stream banks. The buffer area can either be the existing vegetation that is left undisturbed or re-established by planting new vegetation if clearing and grubbing was required.

**MISSISSIPPI DEPARTMENT OF TRANSPORTATION**

**SECTION 904- NOTICE TO BIDDERS NO. 3258**

**CODE: (SP)**

**DATE: 10/7/2010**

**SUBJECT: Erosion Control Plan**

**PROJECT: IM-0020-02(080) / 105870301 -- Scott County**

Bidders are hereby advised that the milling and overlaying required in Phase 1 can be done prior to approval of the Erosion Control Plan.

Bidders are also advised that, if the Contractor desires, the Erosion Control Plan can be submitted in two parts. The first part should consist of the temporary crossovers and ramps for Phase 1 construction. The second part should consist of all other work on the project.

**MISSISSIPPI DEPARTMENT OF TRANSPORTATION**

**SECTION 904- NOTICE TO BIDDERS NO. 3259**

**CODE: (SP)**

**DATE: 10/7/2010**

**SUBJECT: Median Barriers**

**PROJECT: IM-0020-02(080) / 105870301 -- Scott County**

Bidders are hereby advised the ZoneGuard-Minimum Deflection System and the BarrierGuard-Minimum Deflection System can be used in lieu of precast concrete median barriers.

**MISSISSIPPI DEPARTMENT OF TRANSPORTATION**

**SECTION 904 - NOTICE TO BIDDERS NO. 3261**

**CODE: (SP)**

**DATE: 10/07/2010**

**SUBJECT: Treated Base Curing**

**PROJECT: IM-0020-02(080) 105870301 - Scott County**

Bidders are hereby advised that the treated base course throughout the project shall utilize a 7-day curing period as specified on the Mix Design specified by the Central Laboratory.

**MISSISSIPPI DEPARTMENT OF TRANSPORTATION**

**SECTION 904- NOTICE TO BIDDERS NO. 3262**

**CODE: (SP)**

**DATE: 10/7/2010**

**SUBJECT Engineering Field Office**

**PROJECT: IM-0020-02(080) / 105870301 -- Scott County**

Bidders are hereby advised of the additional requirements associated with the Engineering Field Office Building.

In addition to the telephone service, the Contractor shall also provide a broadband connection to the internet. The service shall be capable of providing a minimum downstream speed of 3 Mbps and an upstream speed of 384 kbps.

The building(s) shall be reserved for the exclusive use of the Engineering Personnel for a period up to 60 calendar days after the date of the Final Maintenance Release.

**MISSISSIPPI DEPARTMENT OF TRANSPORTATION**

**SECTION 904- NOTICE TO BIDDERS NO. 3263**

**CODE: (SP)**

**DATE: 10/8/2010**

**SUBJECT: B9-6 Borrow Material**

**PROJECT: IM-0020-02(080) / 105870301 -- Scott County**

Bidders are hereby advised that in any location the plans specify the use of Class B-15 Borrow Material, Class B9-6 Borrow Material may be used.

There will not be a separate pay item for B9-6 Borrow Material.

# MISSISSIPPI DEPARTMENT OF TRANSPORTATION

**SPECIAL PROVISION NO. 907-103-9**

**CODE: (SP)**

**DATE: 10/08/2010**

**SUBJECT: Consideration of Proposal**

**PROJECT: IM-0020-02(080) 105870301 – Scott County**

Section 103, Award and Execution of Contract, of the 2004 Standard Specifications for Road and Bridge Construction is hereby amended as follows:

Delete the first paragraph of 103.01 on Page 22 and substitute:

**907-103.01--Consideration of Proposals.** After the proposals are opened and read, they will be compared on the basis of the following formula:

$$X = A + B + C + D$$

Where:

X = The total amount used only for determining the lowest bid for award of Contract.

A = Total Bid - Direct and Dependent Items - This being the summation of the products of the quantities shown in the bid schedule multiplied by their respective unit prices.

B = Value of the Calendar Days for Milestone #1– This being the total calendar days required to complete construction milestone #1 of the project in accordance with the plans and specifications, as determined by the bidder, multiplied by the disincentive cost of \$15,500.00 per day. The value B is included for comparison of bids only and will NOT be included in any payment to the Contractor.

C = Value of the Calendar Days for Milestone #2– This being the total calendar days required to complete construction milestone #2 of the project in accordance with the plans and specifications, as determined by the bidder, multiplied by the disincentive cost of \$15,500.00 per day. The value C is included for comparison of bids only and will NOT be included in any payment to the Contractor.

D = Value of the Total Calendar Days for Contract Completion – This being the total calendar days required to complete all phases of construction of the project in accordance with the plans and specifications, as determined by the bidder, multiplied by the liquidated damage cost of \$7,500.00 per day. The value D is included for comparison of bids only and will NOT be included in any payment to the Contractor. The total amount of calendar days specified from the effective Notice to Proceed / Beginning of Contract Time date will be used to determine the Completion Date for the project

The results of bid comparisons will be immediately made available to the public. In the event of a discrepancy between unit bid prices and extensions, the unit bid price shall govern.

# MISSISSIPPI DEPARTMENT OF TRANSPORTATION

## SUPPLEMENT TO SPECIAL PROVISION NO. 907-401-4

**DATE:** 10/05/2010

**SUBJECT:** Warm Mix Asphalt

Delete Subsection 907-401.03.8 on page 2 and substitute the following:

**907-401.03.8--Preparation of Mixture.** After the sentence in Subsection 401.03.8 on page 264, add the following:

Warm mix asphalt is defined as a plant produced asphalt mixture that can be produced and constructed at lower temperatures than typical hot mix asphalt. Typical temperature ranges of non-polymer modified, WMA produced by foaming the asphalt binder at the plant are typically 270°F to 295°F at the point of discharge of the plant. Typical temperature ranges of polymer modified, WMA produced by foaming the asphalt binder at the plant are typically 280°F to 305°F at the point of discharge of the plant. WMA produced by addition of a terminal blended additive may allow the producer to reduce the temperatures below 270°F as long as all mixture quality and field density requirements are met. Production temperatures at the plant may need to be increased or decreased due to factors such as material characteristics, environmental conditions, and haul time to achieve mixture temperatures at the time of compaction in which uniform mat density can be achieved.

Pavement Restoration on I-20, from SR 481 to the Newton County Line, known as Federal Aid Project No. IM-0020-02(080) / 105870301, in the County of Scott, State of Mississippi.

I (We) agree to complete the entire project within the specified contract time.

\*\*\* SPECIAL NOTICE TO BIDDERS \*\*\*

**BIDS WILL NOT BE CONSIDERED UNLESS BOTH UNIT PRICES AND ITEM TOTALS ARE ENTERED.**

**BIDS WILL NOT BE CONSIDERED UNLESS THE BID CERTIFICATION LOCATED AT THE END OF THE BID SHEETS IS SIGNED**
