RE: Call No. -15, SP-7338-00(005) / 105297301 -- Rankin County

Bidders are advised that the bidsheets in the contract documents indicate that the cast-in-place median barrier on this project is Type 1. This is in error. The pay item for the median barrier should be Type III Modified Median Barrier as indicated in the plans.

Bidders are instructed to prepare their unit bid price based on a Type III Modified Cast-In-Place Median Barrier.

DO NOT CHANGE THE PAY ITEM DESCRIPTION LISTED ON THE PROPOSAL BIDSHEETS. Total bid for Line No. 0390, 615-A001, Concrete Type I Cast-In-Place Median Barrier, must be based on a unit bid price for Type III Modified Median Barrier and extended using the indicated quantity of 442 linear feet.

Your formal acknowledgment of receipt of this notification will be entered into our records and indicates your understanding that the cast-in-place median barrier on this project will be Type III Modified, and that you have bid accordingly.

Please have an authorized representative of your company sign this page and return by FAX to 601-359-7732.
