**RE: Call No. 3, STP-0029-02(014) / 102556312 Desoto County**

Bidders are hereby advised that the requirement stipulated in special provision 907-107-10 under subsection 907-107.22.2, limiting the exposed surface area of erodible material at any one time to 19 acres does not apply on this project. The contractor will not be subject to a limit on this project. A Class IV Supplemental Agreement will be issued at a later date removing this requirement from the contract.

Your formal acknowledgment of receipt of this notification will be entered into our records and indicates your knowledge of understanding that there is no limit to exposed surfaces of erodible material on the project and that you have bid accordingly.

Please have an authorized representative of your company sign this page and return by FAX to 601-359-7732.
