RE: Call No. -6, STP-0016-01(030) /102155303 & 304 Bolivar and Sunflower Counties

Bidders are advised that the pay item number and description for Line No. 1560, 907-804-C001, 50' Prestressed Concrete Beam, Type III, is in error. The correct beam type is 130' Prestressed Concrete Beam, Type BT-72 as indicated in the Plan Summary of Quantities.

Bidders are instructed to prepare their unit bid price for Line No. 1560 based on a **130' Prestressed Concrete Beam, Type BT-72.**

DO NOT CHANGE THE PROPOSAL PAY ITEM NUMBER OR DESCRIPTION. Total bid for Line No. 1560, 907-804-C001, 50' Prestressed Concrete Beam, Type III, must be based on a unit bid price for 130' Prestressed Concrete Beam, Type BT-72 and extended using the indicated quantity.

A Class IV Supplemental agreement will be completed at a later date to correct the description. Your formal acknowledgement of receipt of this notification will be entered into our records and indicates your understanding of the type of Beam, (Type BT-72) to be used on this project, and that you have bid accordingly.

Please have an authorized representative of your company sign this page and return by FAX to 601-359-7732.
