

**Call 20 Chip Seal on Various routes throughout the District, known as State Project No. MP-7000-00(150) / 304805301 in District 7.**

Q1. The scope of work states that “rumble stripes shall be removed”. Will only the stripe be removed and the rumble strips remain in place? Is there a required method of removal?

A1. The “rumble stripes” being referred to in the scope of work is intended to mean “rumble stops/bars” that are across the travel lane as you approach a STOP Sign.
