

**Call 04 Traffic Signal on US 98 Intersection at Rocky Creek Road and Beaver Dam Road, known as Federal Aid Project No. HSIP-0014-03(063) / 106223301 in George County.**

Q1. **1.** What is the extent of the clearing and grubbing? Will all of the crepe myrtles in the median be removed, or just enough to extend the turn lanes? **2.** Will a MTV be required for the overlay of the mainline on HWY 98? **3.** Will the changeable message signs and traffic drums remain the property of the state or the contractor?

A1. **1.** Only the crepe myrtles that interfere with construction of the turn lane. **2.** Yes **3.** They will become the property of the Contractor; see also fax Letter issued on 1-24-14.
