

**Call 07 Base-Pave approximately 7 miles of US 45A from Wilson-Hill Loop to SR 8, known as Federal Aid Project No. STP-0079-02(016) / 106770301 and State Project No. MP-1045-48(012) / 305115301 in Monroe County.**

Q1. After reclamation & grading, when the trimming is done and that material is removed from the site as stated in the proposal and paid as excess excavation; how will you get that cubic yard measurement for payment?

A1. See the addendum; the excess pay item has been changed to (LVM).
