

**Call 17 Mill & Overlay approximately 4 miles of SR 161 from the Sunflower River to US 61 Bypass, known as State Project No. MP-2161-14(002) / 304822301 in Coahoma County.**

Q1. Is there any additional milling outside what is noted in the scope of work? The bid quantity is substantially different than what is described.

A1. Yes, milling will also be required at intersections throughout the job to allow for tie-ins with curb & gutter and with existing asphalt.
