Q1. Do the Portable Traffic Signals need to be new and is the state retaining ownership of them?

A1. ~~No, the portable signal does not have to be new and the signal will become the property of the contractor once no longer required for the project.~~

**Revised Answer**

A1. Yes to both questions.

Q2. Is there a standard drawing for the Precast Concrete Median Barrier? Is there a standard detail for the anchoring system?

A2. Reference the following website: <http://ftp.mdot.state.ms.us/ftp/Construction/District7/April2014/>

Q3. Will it be necessary to man the temporary traffic signals 24/7 while in operation?

A3. The contractor will be responsible for the safe operation of the signal throughout the time of use.
