

Call 14 Overlay approximately 6 miles of US 49 from Forrest County Line to SR 598, known as State Project No. MP-7049-16(015) / 305149301 in Covington County.

Q1. The Traffic Control Plans in the Special Design Sheets are both overnight closures. Should there be a day time closure included or may the lane remain closed overnight?

A1. The work is setup as daytime and use of the daytime closure standard drawing should be referenced.

Q2. **1.** Will saw cuts for the expansion joints be required in the leveling lift of asphalt? **2.** To what extent will the crossovers be paved?

A2. **1.** No **2.** Crossovers will be paved halfway. See sheet #23 in the plans.

Q3. Are you confident the sawing and sealing quantity is correct for this job?

A3. Yes
