

Call 08 Overlay of approximately 9 miles of US 98 beginning east of SR 57 to the George County Line, known as Federal Aid Project No. STP-0014-03(068) / 106884301 in Greene County.

Q1. The Traffic Control Plan indicates that this is a 2-lane highway. Please revise.

A1. See the upcoming addendum to the project.

Q2. **1.** Will the existing super elevations be increased or are they to be maintained with the existing cross slope? **2.** Will the areas that were overlaid prior to this contract be milled out to help with the ride?

A2. **1.** Super elevations will remain the same. **2.** Milling will be done in select areas as directed by the Engineer.
