RE: Call No. 06, BR-2902-00(010) / 102534301 -- Clarke County

Bidders are advised that the description for Line No. 0290, 615-A015, Concrete Bridge End Barrier, 32", is in error. The correct description is Concrete Bridge End Barrier, 33.5" as indicated in the Plan Summary of Quantities sheet.

Bidders are instructed to prepare their unit bid price for Line No. 0290 based on a **33.5"** concrete bridge end barrier instead of a 32" concrete bridge end barrier.

DO NOT CHANGE THE PROPOSAL PAY ITEM NUMBER OR DESCRIPTION. Total bid for Line No. 0290, 615-A015, Concrete Bridge End Barrier, 32", must be based on a unit bid price for a 33.5" Concrete Bridge End Barrier and extended using the indicated quantity.

A Class IV Supplemental agreement will be completed at a later date to correct the pay item number and description. Your formal acknowledgement of receipt of this notification will be entered into our records and indicates your understanding of the size of the concrete bridge end barrier to be used on this project, and that you have bid accordingly.

Please have an authorized representative of your company sign this page and return by FAX to 601-359-7732.
