

Call 06 Overlay approximately 10 miles of SR 27 from Warren County Line to Beechwood, known as Federal Aid Project No. STP-0054-02(026) / 107098301 in Warren County.

Q1. **1.** With the existing ride specs how is the contractor to account for the rumble strip at the centerline of the roadway? **2.** Will the local roads and driveway pads be paid for under the 9.5 HT pay item or the 9.5 HT Leveling pay item?

A1. **1.** The rumble strip proximity to the centerline should have no effect on the smoothness spec. **2.** It will be paid under the Leveling pay item.

Q2. In Notice to Bidders Nos. 4488 and 5266, it states that Form OCR-485 needs to be signed. There is no signature line on the form.

A2. Bidders are to disregard any reference to signing Form OCR-485. The paragraph at the top of Page 2 of Section 905 states that by signing this page the Bidders acknowledges “that all certifications, disclosures and affidavits incorporated herein are deemed to be duly executed in the aggregate, fully enforceable and binding upon delivery of the bid proposal”. This includes Form OCR-485. Even though not signed, Form OCR-485 is required to be included with the bid package.

Q3. In the Conditions For Combination Bid in Section 905, several locations state that the Combination Bid Proposal has to be signed. There is no place to sign.

A3. Bidders are to disregard any reference to signing the last page of the Combination Bid section of Section 905. The paragraph at the top of Page 2 of Section 905 states that by signing this page the Bidders acknowledges “that all certifications, disclosures and affidavits incorporated herein are deemed to be duly executed in the aggregate, fully enforceable and binding upon delivery of the bid proposal”. This includes any submittal for combination bidding.

Q4. Will asphalt paving under the guardrail pads be required?

A4. No
