

**Call 08 Construction of a Bike Path on Columbus Riverwalk Extension, known as State Project No. SP-0110-00(017) / 107136301 in Lowndes County.**

Q1. **1.** Will the contractor be allowed to use the ROW for access to the project? **2.** Also, will a lane closure or a construction traffic zone be permitted for construction traffic entering and exiting the project?

A1. **1.** Access from MDOT's ROW will be allowed; any disturbed areas shall be repaired to existing conditions and grassed at the conclusion of the project. **2.** Yes, but payment for lane closures and Maintenance of Traffic will be absorbed work.
