

**SECTION 905 -- PROPOSAL (CONTINUED)**

I (We) hereby certify by digital signature and electronic submission via Bid Express of the Section 905 proposal below, that all certifications, disclosures and affidavits incorporated herein are deemed to be duly executed in the aggregate, fully enforceable and binding upon delivery of the bid proposal. I (We) further acknowledge that this certification shall not extend to the bid bond or alternate security which must be separately executed for the benefit of the Commission. This signature does not cure deficiencies in any required certifications, disclosures and/or affidavits. I (We) also acknowledge the right of the Commission to require full and final execution on any certification, disclosure or affidavit contained in the proposal at the Commission's election upon award. Failure to so execute at the Commission's request within the time allowed in the Standard Specifications for execution of all contract documents will result in forfeiture of the bid bond or alternate security.

Bidder acknowledges receipt of and has added to and made a part of the proposal and contract documents the following addendum (addenda):

**SECTION 904 - NOTICE TO BIDDERS NO. 6317**

**CODE: (SP)**

**DATE: 04/14/2016**

**SUBJECT: Cooperation Between Contractors**

**PROJECT: IM-0020-01(202) / 105923301 – Warren County**

The Bidder's attention is hereby called to Subsection 105.07, Cooperation between Contractors, of the 2004 Edition of the Mississippi Standard Specifications for Road and Bridge Construction.

Bidders are hereby advised that the Louisiana Department of Transportation and Development will have a permanent lane closure on the west end of the Mississippi River Bridge throughout the duration of this project. Bidders are hereby advised that their paving operations, scheduling, and traffic control will have to take this into consideration when paving in any area that the lane closures may come in conflict with each other.

The Contractor shall cooperate in all respects and shall coordinate construction of all phases of work with the Contractor of the adjoining project. Failure to coordinate work schedules, such as but not limited to lane closures, shall not be reason to modify contract time.
