RE: Call 02, STP-0029-02(018) / 102556306, STP-0029-02(018) / 102556307 & STP-0029-03(015) / 102556318 -- Desoto & Marshall Counties

Bidders are hereby advised that this project has two (2) separate sets of Plans. One set has a 306000 & 307000 project number detail and the other set has a 318000 detail. The original set of Plans provided through Bid Express contained only the 306000 & 307000 set of Plans. This has been corrected and both sets are now available via Bid Express.

Also, if hard copies of Plans were purchased from the MDOT Print Shop prior to June 14, 2016, only the Plans for the 306000 & 307000 detail were provided. However, the MDOT Print Shop is sending the 318000 detail plan set to those Contractors who purchased Plans prior to June 14, 2016.

Your formal acknowledgment of receipt of this notification will be entered into our records and indicates your understanding that this project has multiple sets of Plans, and that you have bid accordingly.

Please have an authorized representative of your company sign this page and return by FAX to 601-359-7732.
