

Call 08 Bridge Repair on US 82 Luxapalila Creek Bridge No. 175.8, known as State Project No. EXB-0011-03(068) / 107139302 in Lowndes County

Q1. Does the Construction Note on Sheet 8002 of the plans apply or does Pay Item 907-249-A001 Riprap for Erosion Control cover this note?

A1. The Construction Note on 8002 applies. Riprap that is used to repair the areas described in the note that are disturbed by the contractor during construction will not be paid for directly and should be absorbed.
