

**Call 05 Overlay approximately 6 miles of SR 3 from 0.34 miles South of SR 433 to Oneal Creek Bridge, known as Federal Aid Project No. STP-0072-02(030) / 107301301 in Yazoo County.**

Q1. **1.** Where is the guardrail that is being replaced going to be located? **2.** Since there is not a pay item for guardrail delineators, will they be absorbed?

A1. **1.** The guardrail is located at the box culvert (# 21.2) near the SR 433/SR 3 intersection.  
**2.** Yes, delineators will be required and cost absorbed in other items bid.
