

Call 06 Mill and Overlay approximately 5 miles of I-55 from Grenada County Line to North of SR 330, known as Federal Aid Project No. IM-0055-03(088) / 107071301 in Yalobusha County.

Q1. Please confirm the work mentioned in Notice to Bidders #6798 is to be done on the Yalobusha County Road (Scobey Road) not on Interstate 55. Since there is no guardrail box sheets in this set of plans there is some confusion as to where this work is actually taking place.

A1. NTB #6798 applies to Scobey Road only.
