- Q1. The plans for the US 45 South Ramp Detour show 2 Smart Work Zone Icons with a note for 2 portable changeable message signs.
- A1. A smart work zone is not required for this project. 2 portable changeable message boards will be used to direct drivers to the Detour route.
- Q2. The work zone signing shown on the plans does not show doubled construction signs when entering the work zone. Should these be doubled?
- A2. Yes. The standard construction signing for a 4-lane divided highway has this series of signs placed on both sides of the road.
