

Call 02 Overlay US 90 from the East end of the Bay St. Louis Bridge to the Junction of Russell Avenue, known as Federal Aid Project No. STP-0003-01(197) / 107747301 in Harrison County.

Q1. Do the cross overs get milled?

A1. Only the section between the Bay St. Louis Bridge and the Henderson Point Bridge will be milled.

Q2. There are over 400 inlets within this project including drop inlets and curb inlets. You show a bid quantity for adjusting grates of 115 Each. Do you intend on milling around the inlets that are not being adjusted?

A2. No milling will be required for the inset inlets along the mainline of US 90. The edge of the asphalt is to be tapered to the edge of the grating closest to the mainline lanes.
