

**Call 15 Mill & Overlay approximately 3 miles of SR 7 from Itta Bena to US 82, known as State Project No. MP-2007-42(008) / 306394301 in Leflore County.**

Q1. Current legal truck weight limit on this road, and within project limits, is 57,650 lbs. Will consideration be given to allow for 80,000 lbs. limits during project construction?

A1. The posting on the roadway for State Route 7 can be lifted by permit, upon request, to allow construction traffic to access the sites. However, the posting on any bridges will not be lifted.
