

**Call 02 Overlay Approximately 6 miles of US 61 from 1.3 Miles N of Shaw to Boyle, known as Federal Aid Project No. NH-0009-03(065) / 107762301 in Bolivar County.**

Q1. The Scope of Work states that the saw cutting for the removal of pavement is to be absorbed in other pay items. The table provided lists GPS coordinates for dig out locations, however, the table does not list dimensions. Is there a table of dimensions for the dig outs? This will allow us to quantify the saw cutting to be absorbed into other pay items.

A1. See addendum.
