

**Call 03 Slide Repair on US 45 NB outside fill slope between Railroad bridge and SR 2, known as Federal Aid Project Nos. ER-0002-08(021) / 108060301 & ER-0002-08(022) / 108059301 in Alcorn County.**

Q1. Is the inside lane of HWY 45 allowed to be closed?

A1. ~~Yes, the Contractor will be allowed to close the inside lane while work is being performed. Otherwise, it is to remain open.~~ **REVISED ANSWER:** No. In addition, the outside lane is to remain open when work is not being performed.

Q2. There is a pay item for a small animal guard in the proposal, but the detail sheet is not included. Can MDOT provide this information?

A2. The detail sheet can be downloaded at the link below:
