- Q1. According to addendum #1 issued 11/18/19, line item 0010 clearing and grubbing 1 LS was eliminated from the bid list. Addendum #1 shows 3 acres for the line item 0020 and so does the revised EBS file for AASHTOWare. However, in the Bid Express plans download, Plan Sheet 7 shows line item at 29 acres, but the bid items on Bid Express still shows 3 acres. Please clarify.
