

Call 09 Mill & Overlay approximately 5 miles of US 82 From Hughes Street to Woodlawn Drive, known as Federal Aid Project No. NH-0099-01(011) / 107723301 in Washington County.

Q1. Some of this job has concrete panel pavement under the asphalt which is normally Sawed and sealed by MDOT. Will you be adding this Saw and Seal Trans. Joints pay item to this job?

A1. There is concrete panel pavement underneath the existing asphalt, however we will not be sawing and sealing over these joints.
