

**Call 03 Repairing 3 Slides on SR 8, SR 41, & the Northwest Interchange Ramp at SR 15, & SR 8, known as Federal Aid Project Nos. ER-0016-03(028) / 108465301, 302, & 303 in Chickasaw County.**

Q1. On Page 61, Note 5 on the SR 41 Scope it says in regards to the 30” pipe: “If it is to be removed and re-laid, the headwall and last section of 30” pipe shall be re-laid as one unit.” Will there be payment for removal of the pipe headwall?

A1. No, it is to be absorbed in pay item 603-RA004, 30” Pipe Removed and Relaid.

Q2. The Scope of Work references some drawings that do not appear in the proposal. Can you please provide them?

A2. The referenced drawings can be downloaded at the following link:
