SUBJECT: Traffic on Milled Surface

PROJECT: IM-0020-01(250) / 108098302 – Rankin County

Bidders are hereby advised that when the main lanes of a roadway are fine milled, traffic will be allowed to run on a milled surfaces for up to twenty-one (21) calendar days. The Contractor will be assessed a penalty of \$5,000 per calendar day afterwards until the milled surfaces are covered with the next lift of asphalt.

The Contractor will be required to remove all milling grindings that are swept along the existing concrete median barrier in order to prevent the milling grindings from entering drain holes and/or drainage structures.

It shall be the Contractor's responsibility to ensure that the milling and joint operations do not commence until such time as forecasted weather conditions are suitable enough to allow the placement of the asphalt pavement after the milling and joint operations.
