

Call 09 Mill & Overlay approximately 1.8 miles of SR 852 through Brooksville, known as State Project No. MP-5852-52(001) / 306928301 in Noxubee County.

Q1. If the Contractor elects to mill for pavement removal in the failed areas instead of saw cuts, will payment be made for saw cuts not performed?

A1. No.

Q2. Can the Department provide a location map of the project?

A2. A location map can be downloaded at the following link:
